Please reach out to us if you have any questions.

About Our Charity.

Seniors Life Centre was founded by Christine Karebwayire in 2017 to help vulnerable seniors in her country, Rwanda.

Three years after its founding, the charity became aware of the needs of underserved seniors in Calgary, Alberta. The board and general members approved a move to expand its support to seniors in Alberta, while continuing to scale up its support for Rwandan seniors.

In June 2021, the charity officially changed its name to Seniors Life Centre.
